Dear Performer(s),

Enclosed please find your application to the **17th Annual Juan de Fuca Festival of the Arts, May 28 - 31, 2010**, in Port Angeles, Washington.

Please thoroughly complete and return the application as soon as possible and no later than **Monday, January 11, 2010**, and include a performance sample for committee review (CD, DVD or video). We're sorry, but the Festival *cannot return your samples*. We are also requesting your technical requirements along with the application. This information will help us place you at the appropriate stage for your performance style.

If you perform as a small group and as a solo or as a band and a small combo as well, please make a copy of the technical sheet and fill it out so we'll understand what you need in each grouping. Please also mention this on your application as it may help us find a better spot for you. Two of our stages are unplugged. Please mention if you will perform unplugged. These stages have lovely acoustics.

For Festival 2010, we have six stages running throughout the festival and will present over 80 groups and individuals from all over the world in more than 140 performances and workshops. The Festival is held at the Vern Burton Center, a lovely multi-purpose facility set among grass and trees. The Main Stage, the Chamber Stage, and the Family Fun Zone are located here. Three other stages are set in lovely areas around town. All stages are located indoors.

The surrounding grounds are filled with an artisan street fair, tasty food booths, children's activities, an outdoor stage, and strolling musicians. Additional indoor venues include the Fine Arts Center, the KONP Elks Stage, and the Port Angeles Community Playhouse.

We strive to present a wide range of performances and cannot accept all applications we receive. If you have any questions, please feel free to call me at **360-457-5411** or e-mail me at contact@jffa.org. Final decisions will be made by **early-mid March 2010**.

Warmly,

Anna Manildi
Festival Director
