

17th Annual Juan de Fuca Festival of the Arts

May 28-31, 2010, Port Angeles, WA

Performer Technical Requirements. Please complete fully.

*Please note any special needs/requirements/or requests regarding Lighting, Sound, Projectors, Props or Staging. Our Stage set up is simple and we expect artists to provide all backline equipment, including necessary amplifiers and instruments. Some accommodation can be made only if arrangements are made prior to contracting in writing. We do not provide an acoustic piano. Set up time runs from 10 minutes to (for solo and duos) to 30 minutes for large groups.
